Sleep Merge
THE FOUNDATION OF GREAT SLEEP

About Sleep Merge

Sleep Merge represents a focused approach to one of the most essential elements of any hospitality space, the foundation of rest. Designed with intention and built with precision, it brings together strength, simplicity, and consistency in a way that supports both guest comfort and operational reliability.

Rooted in clean architectural design, each piece reflects a balance of form and function. The aesthetic is minimal yet purposeful, allowing it to integrate seamlessly across a wide range of interior environments while maintaining a distinct, elevated presence. Behind every design is a commitment to durability, performance, and thoughtful engineering. From material selection to construction, every detail is considered to ensure long-term use, ease of installation, and dependable quality at scale.

Sleep Merge is not just about supporting a mattress. It is about creating a foundation that quietly enhances every stay. Built to support comfort. Designed to elevate every room.

COLE

PLATFORM BEDBASE

Sleek. Elevated. Architectural.

The Cole platform bedbase brings clean structure and elevation to modern hospitality interiors. Defined by its refined lines and raised profile, it enhances both visual appeal and room functionality.

Design Highlights

- Clean, architectural silhouette
- Raised platform for improved comfort and elevation
- Seamless integration across brand standards
- Engineered for strength and durability

Available Sizes

- 76" W × 80" D × 17" H
- 60" W × 80" D × 17" H
- 54" W × 80" D × 17" H

Finish Options

Available in multiple wood finishes to suit interior palettes and brand requirements.

A strong foundation, built to perform.

COLE

PLATFORM BEDBASE

The Cole collection embodies a clean, architectural form with a raised height for modern comfort. Precision-built for premium hospitality interiors, it combines a minimalist aesthetic with robust structure.

BELDON

PLATFORM BEDBASE

Crafted for Strength. Styled for Sleep.

The Beldon platform bedbase is designed to deliver strength, stability, and long-term performance in hospitality environments. With its reinforced metal structure and clean, modern form, it provides reliable support while maintaining a refined guestroom aesthetic. Engineered for durability and consistency, Beldon is built to perform across high-use spaces without compromising on design.

Design Highlights

- Reinforced metal frame for superior strength
- Clean, modern silhouette suited for guestrooms
- Retainer support for mattress stability
- Engineered for long-term durability

Built for Hospitality

Beldon is developed for the demands of hotel operations, offering consistent performance, easy installation, and low maintenance across multiple room configurations.

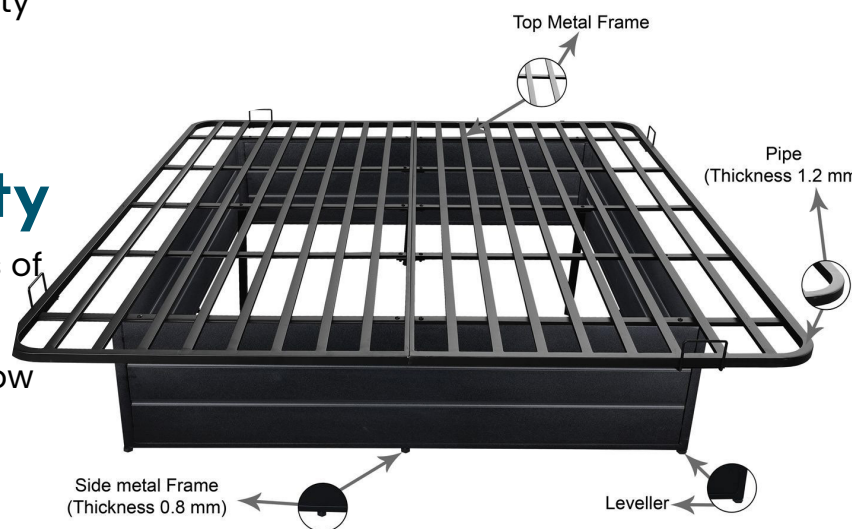

Available Sizes

- 76" W × 80" D × 16" H
- 60" W × 80" D × 16" H
- 54" W × 80" D × 16" H

Finish Options

Available in powder-coated metal with complementary wood finish options to align with interior palettes and brand requirements.

Engineered for strength. Built to last

The Beldon collection features powder-coated metal frames paired with elegant wood finishes. Engineered for easy installation, long-term durability, and consistent quality across multiple configurations.
